subhead

Currently, a sum certain is appropriated to DOA from the revenues that DOA receives from state agencies for printing, mail, communication, and information technology services provided by DOA to the agencies.

This bill instead appropriates to DOA all the revenues that DOA receives from state agencies for these purposes. The change permits DOA to increase the amounts that it charges agencies for these services in some cases, thereby decreasing other programmatic expenditures by corresponding amounts.

For further information see the *state* fiscal estimate, which will be printed as an appendix to this bill.
